

A PICK GALLERY

NEARLY A DUSTY RAINBOW EXPERIENCE – Markus Huemer

A PICK GALLERY ha il piacere di invitarvi, il 3 novembre alle ore 18, in via Galliari 15/C, all'inaugurazione delle mostre di **Markus Huemer** e **Solomostry**, artista invitato nell'ambito della collaborazione con la galleria **Lunetta11**.

Le mostre saranno visibili fino a sabato 15 gennaio 2022.

Markus Huemer (1968, Linz), artista austriaco che vive a Berlino, utilizza diverse discipline artistiche prediligendo la pittura e il disegno.

Esplora e progetta meticolosamente le immagini e, se pur con attitudine scientifica, la sua fonte di ispirazione principale è la natura, che si pone poi in relazione a elementi architettonici.

Per la personale *Nearly a Dusty Rainbow Experience* Huemer presenta da A PICK GALLERY la sua ricerca artistica più recente, all'interno della quale troviamo opere che si manifestano come una sorta di falso archivio di lavori preesistenti. La serie *Thumbnails* propone miniature dei suoi dipinti, riproduzioni delle icone digitali presenti sui computer, che propongono un'anteprima dei file delle immagini. L'artista dà forma e tridimensionalità a materiali d'archivio intangibili come le thumbnails che sono uno strumento per ritrovare le immagini. La rielaborazione diventa multipla; opere originali fotografate e ridotte in icone tutte dello stesso formato successivamente riportate in pezzi unici dalla dimensione standard di 13x9x3 cm. Con questa serie Huemer lavora quindi sul concetto stesso di immagine e trae informazioni preziose dall'algoritmo stesso che determina le icone sul pc. Tra natura e architettura, colori neutri come il nero, il bianco e il grigio contrapposti con colori fluo, i lavori di Markus acquistano una cifra fortemente connotata e riconoscibile.

Markus Huemer è nato nel 1968 a Linz, in Austria, e attualmente vive e lavora a Berlino. La sua formazione artistica inizia presso la High School of Artistic and Industrial Design, per terminare poi presso la Academy of Arts, Dusseldorf.

Tra le sue principali mostre internazionali: Philipp von Rosen Galerie, Cologne (2021); Ileana Tounta Contemporary Art Centre, Athens (2020); Sprengel Museum Hannover, Hannover (2019); Danubiana Meulensteen Art Museum, Bratislava (2018); Gallery Opere Scelte, Turin (2017); Total Museum of Contemporary Art Seoul, Seoul (2017); Museum Albertina, Vienna (2015); Museum Gegenstandsfreier Kunst, Otterndorf (2013); DOX Centre for Contemporary Art, Prague (2009); Singapore Art Museum, Singapore (2008); Fundación Juan March, Madrid (2008); Museu de Arte de São Paulo, Assis Chateaubriand – MASP, São Paulo (2007); Museum Africa, Johannesburg (2004); The Detroit Institute of Arts, Detroit (2003); Whitechapel Gallery, London (2003).

NEARLY A DUSTY RAINBOW EXPERIENCE – Markus Huemer

A PICK GALLERY is pleased to invite you, on November 3rd at 6 pm, in via Gallinari 15 / C, to the opening of the exhibitions of **Markus Huemer** and **Solomostry**, who is invited as part of a collaboration with the **Lunetta11** gallery.

The exhibitions will be visitable until Saturday January 15th 2022.

Markus Huemer (1968, Linz), an Austrian artist living in Berlin, uses various artistic disciplines, while preferring painting and drawing. He meticulously explores and designs images and, although with a scientific attitude, his main source of inspiration is nature, which he then relates to elements of architecture. For the solo show *Nearly a Dusty Rainbow Experience*, Huemer presents to A PICK GALLERY his most recent artistic research, within which we find works that appear as a sort of false archive of pre-existing works. The *Thumbnails* series offers thumbnails of his paintings, reproductions of digital icons present on a computer, which offer a preview of the image files. The artist gives shape and three-dimensionality to the intangible archival materials such as thumbnails which are a tool for finding images. The reworking is multiple; the original works are photographed and reduced to icons all of the same format which are subsequently recreated as unique pieces with a standard size of 13x9x3 cm. With this series Huemer therefore works on the very concept of image and draws valuable information from the algorithm that determines the icons on the PC itself.

Between nature and architecture, neutral colors such as black, white and gray are contrasted with fluorescent colors, Markus's works acquire a strongly characteristic and recognizable style.

Markus Huemer was born in 1968 in Linz, Austria, and currently lives and works in Berlin. His education begins at the High School of Artistic and Industrial Design, and ends at the Academy of Arts, Dusseldorf.

Among his main international exhibitions: Philipp von Rosen Galerie, Cologne (2021); Ileana Tounta Contemporary Art Center, Athens (2020); Sprengel Museum Hannover, Hannover (2019); Danubiana Meulensteen Art Museum, Bratislava (2018); Selected Works Gallery, Turin (2017); Total Museum of Contemporary Art Seoul, Seoul (2017); Museum Albertina, Vienna (2015); Museum Gegenstandsfreier Kunst, Otterndorf (2013); DOX Center for Contemporary Art, Prague (2009); Singapore Art Museum, Singapore (2008); Fundación Juan March, Madrid (2008); Museu de Arte de São Paulo, Assis Chateaubriand - MASP, São Paulo (2007); Museum Africa, Johannesburg (2004); The Detroit Institute of Arts, Detroit (2003); Whitechapel Gallery, London (2003).
